Robinson's Daily Record Book

*Making Sure Everything
Is Accounted For!*

NEW TAX LAWS SELF ASSESSMENT

We have now had 2 years of self assessment & the taxman not only has more time to examine self employed records but is getting better at his job with the help of computers.

Being both a driver and an accountant I know only too well what is required, and have constructed a very simple Daily Record Book. This book should be started at the beginning of your financial year.

Stay in the taxman's good books by using the Robinsons Daily Record Book (£4.00 incl. p&p cheque to M. Robinson)

Journeyman Drivers

Would need to obtain receipts for cab rental and fuel and keep daily records of cash takings. Where the driver has a radio fitted he/she must produce radio statement sheets of account work and must NOT add these with cash takings. Any radio cash work should also be included in daily takings.

Owner Drivers

Would need to keep all repair bills, meter rentals, HP agreements, insurance costs, PCO licence fees, Derv bills, in fact anything to do with costs of Taxi. Again if radio fitted, same as for Journeyman. Partners would need to keep separate daily takings etc.

**Don't let the taxman and his technology catch you unprepared,
keep your records up to date.**
