

## NEW WEBSITE FOR BUYING AND SELLING TAXIS

**T**XIAUCTIONS.CO.UK is a new and dynamic website that the creators believe will revolutionise the way Hackney Carriages are bought and sold in the U.K. The site will enable anybody to find the Taxi they are looking for in the area of the country that suits them. This site will allow all drivers and dealers the opportunity to list their vehicle on an auction basis or as a classified advert. The site also allows Taxi drivers to sell or buy spare parts, accessories or anything else to do with the Taxi trade. As well as this, there are also Forums for drivers to share their stories, give advice or just exchange information with others throughout the country.

## SAVE £££'s OFF A ROUND OF GOLF

**G**olf-loving taxi drivers now have a faster and easier way to book a round of golf – and even save money in the process too! [www.TeeTimes.co.uk](http://www.TeeTimes.co.uk) has thousands of rounds of golf available online from almost 200 UK clubs and in some cases the green fees are reduced by up to 60%.

The number of available rounds is growing every day as [TeeTimes.co.uk](http://www.TeeTimes.co.uk) offers golfers the fastest way to book golf on the internet and a UK-wide choice of courses and times. The site is free to use and golfers find themselves just one click away from the largest choice of value golf in the country. There is no registration or booking fee - all they have to pay for is the golf. When golfers register, they also receive a weekly newsletter containing unbelievable email-only deals – which could even offer a FREE round.

[TeeTimes.co.uk](http://www.TeeTimes.co.uk) Managing Director, Paul Heeney, said: “We know that lots of taxi drivers love a game of golf – but working unsociable hours often makes it difficult to organise a game through traditional methods like phoning golf courses. We give golfers incredible choice and value and the ability to find and book their next round of golf quickly and reliably online – whatever the time of day. It’s just like booking a flight or a hotel – where the majority of transactions now take place online. We offer a fast and simple way for taxi drivers to find and organise their next round of golf at prices they won’t find anywhere else.”

## LONDON'S TRAFFIC RADIO

**T**ransport for London (TfL) has invested in London's version of 'Traffic Radio', a Highways Agency initiative to bring information to listeners in London about traffic disruptions and major road works on the TfL road network. It is available on digital radio and on the internet 24 hours a day.

TfL will play an essential role in providing London-specific information

about conditions on the road from the London Traffic Control Centre. The information is updated every 10 minutes during peak times and every 20 minutes at other times. Access Traffic Radio at [www.trafficradio.org.uk](http://www.trafficradio.org.uk) or by tuning into the 'Traffic Radio' station on a DAB radio.

## THE LONDON TAXIDRIVERS' FUND FOR UNDERPRIVILEGED CHILDREN MAKE A DONATION TO KISHARON'S TUFFKID NURSERY

*by Ray Levy*

**K**isharon is a British charity founded in 1976 and specialises in caring for and educating children and adults with profound learning disabilities. Typically many students may have one or more of the following: Asperger's Syndrome, Down's syndrome, Autism and Cerebral Palsy. Tuffkid Nursery is part of the Kisharon charity and following an appeal from them, the London Taxidriver's Fund for Underprivileged Children were very pleased to help by donating an Easy life Electric Changing Bench, value £3,000.

On 17 September 2007 Kisharon's Deputy Executive Director, Jacalyn Sank, was joined by the LTFUC's Honorary Chairman David Lessman, Honorary Treasurer Gerry Dunn, MBE and Press Officer Raymond Levy, at a ceremony which saw the unveiling of a plaque to mark the occasion. Jacalyn Sank commented: “We would like to thank the London Taxidriver's Fund for

Underprivileged Children for their wonderful donation. Their contribution will help our staff to continue to provide a high level of care within the community”. David Lessman said: “Kisharon provides an essential service and we are delighted to be able to contribute to the nursery and provide a much needed piece of equipment”.
