

NEW LOWER TX4 FINANCE RATE

Mann & Overton London in Brewery Road, N7, has introduced a new and dramatically lower finance rate for 2008. Depending on the model and finance term chosen, London's owner-drivers taking advantage of this offer could save up to £3,000 in their repayments across the full period of their finance agreement.

Peter Rigden, General Manager at Mann & Overton London said: "We're always seeking ways to provide our customers with the best possible value for money on their vehicle purchases. Well over 90% of all the new taxis we sell are bought on hire-purchase terms and so the deal we have struck with our finance partners for 2008 will provide our customers with one of the most competitive finance rates around whilst at the same time offering real and dramatic customer savings"

"This strong customer offering allows London licensed drivers to experience the most advanced purpose-built taxi in the world and at a very affordable rate."
