**Talk to the others first if you must, but for the
 best deal you'll always talk to us last!***

Standard Features include:

- Euro IV compliant engine
- ABS all round brakes
- Improved in car entertainment
- Improved intercom
- Head restraints
- Drivers seat adjustable lumbar support & armrest
- Coil suspension
- Improved security

Celebrate the New Year in style with a smart new TX4 from Mann & Overton London. By fixing your repayments now at our new low rate for 2008 you could save at least £2,008 versus last year's rates if you finance through us over a 60-month term (shorter terms from 24-months available).

*Business Users Only. Finance Subject to Status. Only available on vehicles registered from new from 1st January 2008. Savings example calculated versus the monthly repayments on any model of TX4 previously purchased at our published retail prices and financed through Mann & Overton London in 2007 over the maximum available term of 60-months. Other terms available from a minimum of 24-months. Written quotations available on request. Best Deal promise available strictly on a like-for-like basis and upon presentation of a written competing quotation. Available only to London PCO licensed owner-driver customers.

** Applies to all TX4 models registered and sold from new by Mann & Overton London on or after 1st October 2007
