

IMPORTANT NOTICE

SGS 6 MONTHLY INSPECTIONS

We are pleased to announce that if you continually service & overhaul your taxi with us in accordance with the manufacturers service schedule, we will inspect and present your cab at SGS.

FREE OF CHARGE

Any parts required other than warranty will be charged accordingly. For new after-sales Customers wishing to take advantage of this exceptional offer, the scheme starts immediately after your 1st Overhaul with us.

HOW DOES IT WORK?

On the Inspection

We will check your cab. If any parts are found to be defective, or any adjustments need to be made, you will be contacted for the approval for work to be carried out.

On the Presentation

We will prepare the vehicle, endeavouring to meet the SGS criteria, and then present it on your behalf.

Stop Notes

Should your vehicle receive a Stop Note, you will be informed and then we will await your instructions before re-booking with SGS.

Booking-in

If you are going to participate with us, please would you contact the **Overhaul Department on 020 7377 2182** as soon as you receive your letter from SGS, so we can co-ordinate the appointment times offered by them.

A professional service for the professional driver.
