ISSUE 586 - THE INDEPENDENT VOICE OF THE CAB TRADE - 25 June 2008

NEW CAB TO BE UNVEILED

As this edition of the paper went to print, Taxi Globe was invited to the launch of a new taxi. In association with a UK specialist converter who will be adapting the vehicle, Mercedes-Benz UK say they have developed an alternative cab to the traditional London taxi. Together with their engineering partners who will be adapting the vehicle and the franchised dealer, Mercedes Benz will unveil the taxi in London on 26th June, along with their plans for giving London's licensed "black cab drivers" a choice.

A full report will follow in the next issue.
