

## CLEAN UP YOUR CAB WITH THE AA

Recognised as the UK's best-known motoring brand, the AA already provides motorists with a recovery service, should their pride and joy break down; road atlases with which to plot their driving routes and even credit cards with which to pay for it all. Now this new product range means the AA can also keep your vehicle clean.

The AA Car Essentials Valeting range will feature six new products – Wash 'n' Wax, Wheel Cleaner, Glass Cleaner, Upholstery Cleaner, Tyre Clean and Trim Cleaner – everything the motorist needs. Steve Dyos, AA Car Essentials and Promotional Sales Manager, said: "We're always searching for new ways to help our motoring customers, but a quality range of cleaning materials is something we've not had before. With our instantly recognisable yellow packaging, motorists will be assured that they are getting a quality product."

The AA Car Essentials Valeting range consists of:

- \* AA Wash 'n' Wax – Combines two quality products in one, providing optimum cleaning for the bodywork, as well as a glossy and protective finish.
- \* AA Wheel Cleaner – Fast-acting cleaner removes brake dust and grime, for use on chrome-plated, steel and lacquered alloys
- \* AA Glass Cleaner - Removes grease and grime from windscreens, lights and mirrors, leaving smear-free and crystal clear glass surface
- \* AA Tyre Clean – Removes dirt and grime, revitalises tyre colour and offers long-lasting, water-resistant protection
- \* AA Upholstery Cleaner – Easily removes stains and odours from most fabrics, replacing with a fresh lemon fragrance, can be used on seats, leather, carpets and rubber
