

Mid Term & Annual Inspection 2 Years On

Ascott Cab Co were the first company to offer the pre test facility & are still the foremost company in getting your cab passed. We don't just test your cab on our computer equipment we prepare it ready for SGS so when you leave Ascotts it's ready for your test. Unlike some of our competitors who just test your cab and give you a list

What do you get for **£99**
Our test takes 2 hours

+V.A.T
