# PEDICABS SEIZED IN WEST END

Over the festive season Westminster City Council were targeting “death trap” pedicabs in a number of operations. Councillor Danny Chalkley said: “The sheer number of these death traps has left us with little choice other than to take firm action.”

A number of riders have been arrested from locations within West End, China Town & Covent Garden for driving document offences, including no insurance. When the pedicabs were weighed some were in excess of the 60Kg limit, making the contraptions motor-vehicles per se. (Motorised Tricycle). Other riders were arrested for being in breach of S54 Metropolitan Police Act 1839 (Driving carriage on the pavement.) The pedicabs were seized.
