

WIN A MEAL FOR TWO!

The Royal China Group consists of five of London's most authentic and prestigious Chinese restaurants, including the luxurious and critically-acclaimed Royal China Club. Based in prime areas of London, the restaurants are centrally located on Baker Street, as well as in Bayswater, Fulham and Canary Wharf.

Royal China on Baker Street is a vibrant and bustling restaurant, which is great for guests wishing to indulge in authentic Hong Kong Chinese cuisine. Located just a short walk from the shopping districts of Oxford Street and Bond Street, as well as next door to Marylebone Village, the restaurant is perfect for a spot of lunch or dinner after a full day of shopping. Serving traditional Chinese dishes at great prices, the restaurant is a huge attraction for locals, foodie Londoners and tourists. This is the largest restaurant within the Royal China Group, seating 150 guests. With its open-plan dining room and signature Chinese décor, the Royal China on Baker Street offers a relaxed space for larger families and groups of friends dining together.

The menu offers a wide array of traditional Hong Kong Chinese dishes. Enjoy Royal China's à la carte menu featuring a range of different Chinese dishes, including delicious favourites such as Aromatic Crispy Duck served with pancakes, spring onion and cucumber. The restaurant also serves four-course Set Menus, including the four-course Gourmet Seafood menu, allowing guests to sample a selection of the finest fish and seafood dishes.

The Royal China Group is renowned for its extensive list of Dim Sum, which is served daily from Noon until 5pm and includes Steamed Seafood Dumplings with Spicy Sauce; and Pan-fried Fillet of Duck Breast Rolls. Each restaurant has a dedicated Dim Sum Chef, as well as a Head Chef. The Dim Sum is elegantly presented and is terrific value for

money. These Chinese specialities create a stir on the weekends, and the restaurant regularly sees queues of guests waiting to indulge in this special treat. The restaurant also serves an extensive tea menu, which is a perfect match with the lighter fare of dim sum.

The Royal China restaurants all have elegant décor, contrasting rich golden hues with striking red and black features. Lacquered murals depicting an ornate Chinese illustration create a focal point within each of the five restaurants. Friendly and helpful staff are on hand to provide excellent service and to ensure guests have a lovely dining experience.
