CHANGES TO LTI UK FRANCHISE NETWORK

LTI Vehicles has issued a twelve month notice to end their contract with all independent main dealers. The company will focus on developing a direct sales operation and improved aftersales network. M&O London will continue offering great deals on taxis.

The new direct sales operation could see substantial discounts for customers.

At the same time the company is planning a major boost to their service dealer network to improve the quality of aftersales care given to customers. "These changes are designed to ensure drivers

throughout Britain have easy access to new and used LTI products along with excellent aftersales care provided by a local service dealer who is trained and equipped to maintain our vehicles to the high standards our customers deserve," said LTI's Sales Director, Rob Laidler.
