TOUTING HOTSPOTS

After just four weeks in the role of Director of Taxi and Private Hire at the Public Carriage Office, John Mason has been out on the streets of the West End and the City to look at the problems surrounding touting and illegal parking outside venues. Grant Davies, Chairman of The London Cab Drivers Club, took John Mason out on Thursday 22nd October 2009. Grant said: "It took 9 years to get Ed Thompson to come out and see the problems, so it is great that after just four weeks John Mason came out from 7.30pm to 3.30am. It was really productive for him to see the problems for himself."

John Mason said: "On a recent tour of key problem locations, kindly arranged by Grant Davis of the LCDC, I saw firsthand some of the problems which drivers and operators are rightly concerned about."

"Working in partnership with the Police, Local Authorities and the trade, TfL is determined and committed to tackling and driving down touting activity."
