

## GREEN AND PROUD

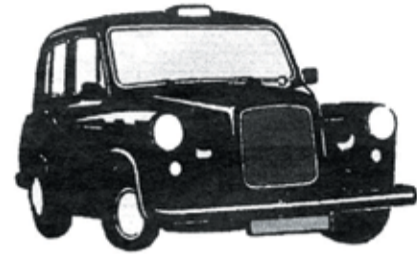

Stanley Roth has been campaigning for many years to make London taxis greener and cleaner - long before it became trendy and the cool thing to do. He has been a pioneer in the use of LPG Gas as an Eco-friendly fuel. Stanley has now gone one step further in his battle to make London greener and quieter with a state of the art gas engine developed in Australia. Stanley can now be seen driving around London in his TXI fitted with a Euro 5 LPG Gas engine. To promote his ultra-clean taxi he chose IN-CAB Promotions to design and produce the eye catching rear window decal. IN-CAB Promotions are proud to work with Stanley in making London a nicer place to live and work and to promote the London Taxi Trade.
