

# WIN A DELICIOUS LUNCH FOR TWO AT LE CERCLE IN BEAUTIFUL SLOANE SQUARE!

**O**ne lucky reader has the chance to win an amazing three-course lunch for two, plus wine chosen by the Sommelier.

Le Cercle Restaurant is operated by the award-winning team from the Michelin-starred Club Gascon. Offering tapas, tasting-style dishes and petit plateaus, encompassing all areas of regional France, the chic and elegant restaurant is located opposite The Cadogan Hall, off Sloane Street, SW1. The menu has been created by Head Chef Thierry Beyris and is divided into six sections: Vegetal (vegetarian), Marin (fish), Fermier (meat), Plaisirs (luxury dishes), Fromagerie (cheese) and Gourmandises (desserts).

The luxurious décor was designed by Keith Hobbs of United Designers and encompasses discreet seating areas for dining, drinking and relaxing. The 80-seat lower ground floor restaurant has subtle lighting, flowing white muslin curtains and a light stone floor offsetting the dark wood furniture with chocolate leather seating. There are several large booths, in addition to

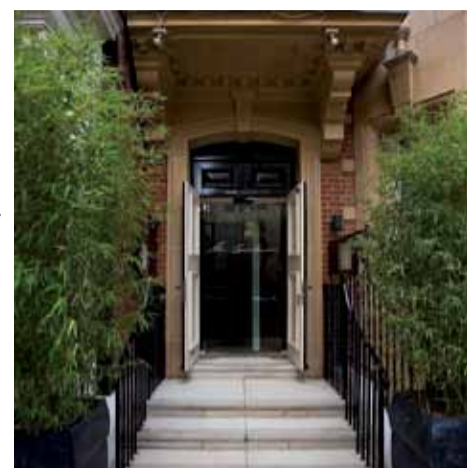

banquette seating along one wall beneath a beautiful hand-painted floral mural. A raised area to the rear of the restaurant displays the wine stock.

A glass-fronted area on the mezzanine level overlooks the dining

room. Seating up to 12 people on chaise longue-style seating, it is perfect for lounging or for a private party. The leather-fronted, wooden-topped bar has a dramatic river of ice flowing through its core for the presentation of wines and Champagne. There is also a snug with a striking antique stone fireplace for those cold winter nights.

Open six days a week, Le Cercle trades Monday to Saturday, from Noon to 3pm and 6pm to 11pm.
